- Designed and executed custom interventions for **conflict resolution** for multiple teams in various work-centers across Europe. Reference: Judy Lee, judithlee56@gmail.com

Company Data

Our founders, Kristen Vondruska and Jeffrey Peters, both former Army Nurse Corps Officers, possess extensive clinical, training, facilitation, and leadership development experience. They lead a diverse global team to build and implement scalable custom solutions for their clients. We offer our services on a world-wide platform for customers operating in a 24/7/365 environment.

Differentiators

Our founders have more than 60 years of professional experience building teams and extensive experience developing emerging leaders--at one point producing more than 6000 leaders a year. Our operating environments:

- Uncertain
- Volatile
- Emotional
- Complex

Our programs engage individuals, teams, and organizations to provide:

- Leader Development
- Custom Experiences
- Executive Coaching
- Consulting

Our aim is to foster learning, accelerate performance, and achieve desired results. **We build high-trust relationships where others have failed.**
